## **Independent Auditors' Review Report**

To the Board of Directors of Wistron Information Technology and Services Corporation:

### **Introduction**

We have reviewed the accompanying consolidated balance sheets of Wistron Information Technology and Services Corporation and its subsidiaries (“the Group”) as of June 30, 2022 and 2021, and the related consolidated statements of comprehensive income for the three-months and six-months ended June 30, 2022 and 2021, as well as the related consolidated statements of changes in equity and cash flows for the six months ended June 30, 2022 and 2021, and notes to the consolidated financial statements, including a summary of significant accounting policies. Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, “Interim Financial Reporting” endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China. Our responsibility is to express a conclusion on the consolidated financial statements based on our reviews.

### **Scope of Review**

We conducted our reviews in accordance with Statement of Auditing Standards 65, “Review of Financial Information Performed by the Independent Auditor of the Entity”. A review of the consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our reviews, nothing has come to our attention that causes us to believe that the accompanying consolidated financial statements do not present fairly, in all material respects, the consolidated financial position of the Group as of June 30, 2022 and 2021, and of its consolidated financial performance for the three months and six months ended June 30, 2022 and 2021 and its consolidated cash flows for the six months ended June 30, 2022 and 2021 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, “Interim Financial Reporting” endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

The engagement partners on the review resulting in this independent auditors' review report are Ming-Hung Huang and Chia-Chien Tang.

The independent auditors' review report and the accompanying consolidated financial statements are the English translation of the Chinese version prepared and used in the Republic of China. ### Notes to the Consolidated Financial Statements

**June 30, 2022 and 2021**

(Expressed in Thousands of New Taiwan Dollars, unless otherwise specified)

#### (1) Company history

Mirrors International, Inc. was incorporated on June 1, 1992 as a company limited by shares under the laws of the Republic of China (R.O.C); and in July 2004, it changed its name to Wistron Information Technology and Services Corporation (the “Company”). Wistron Information Technology and Services Corporation and subsidiaries (the “Group”) are primarily engaged in the development and maintenance of the IT system, IT consulting and outsourcing services.

#### (2) Approval date and procedures of the consolidated financial statements

The consolidated financial statements for the six months ended June 30, 2022 and 2021 were authorized for issue by the Board of Directors on August 4, 2022.

#### (3) New standards, amendments and interpretations adopted:

- (a) The impact of the International Financial Reporting Standards (“IFRSs”) endorsed by the Financial Supervisory Commission, R.O.C. (“FSC”) which have already been adopted.

The Group has initially adopted the following new amendments, which do not have a significant impact on its consolidated financial statements, from January 1, 2022:

- Amendments to IAS 16 “Property, Plant and Equipment— Proceeds before Intended Use”
- Amendments to IAS 37 “Onerous Contracts—Cost of Fulfilling a Contract”
- Annual Improvements to IFRS Standards 2018-2020
- Amendments to IFRS 3 “Reference to the Conceptual Framework”

- (b) The impact of IFRS issued by the FSC but not yet effective

The Group assesses that the adoption of the following new amendments, effective for annual period beginning on January 1, 2023, would not have a significant impact on its consolidated financial statements:

- Amendments to IAS 1 “Disclosure of Accounting Policies”
- Amendments to IAS 8 “Definition of Accounting Estimates”
- Amendments to IAS 12 “Deferred Tax related to Assets and Liabilities arising from a Single Transaction”

## WISTRON INFORMATION TECHNOLOGY AND SERVICES CORPORATION AND SUBSIDIARIES

### Notes to the Consolidated Financial Statements

- (b) The impact of IFRS issued by IASB but not yet endorsed by the FSC

The following new and amended standards, which may be relevant to the Group, have been issued by the International Accounting Standards Board (IASB), but have yet to be endorsed by the FSC:

Standards or Interpretations	Content of amendment	Effective date per IASB
Amendments to IAS 1 “Classification of Liabilities as Current or Non current”	The amendments aim to promote consistency in applying the requirements by helping companies determine whether, in the statement of balance sheet, debt and other liabilities with an uncertain settlement date should be classified as current (due or potentially due to be settled within one year) or non-current. The amendments include clarifying the classification requirements for debt a company might settle by converting it into equity.	January 1, 2023

The Group is evaluating the impact of its initial adoption of the abovementioned standards or interpretations on its consolidated financial position and consolidated financial performance. The results thereof will be disclosed when the Group completes its evaluation.

The Group does not expect the following other new and amended standards, which have yet to be endorsed by the FSC, to have a significant impact on its consolidated financial statements:

- Amendments to IFRS 10 and IAS 28 “Sale or Contribution of Assets Between an Investor and Its Associate or Joint Venture”
- IFRS 17 “Insurance Contracts” and amendments to IFRS 17 “Insurance Contracts”
- Amendment to IFRS 17 ” Initial application of IFRS 17 and IFRS 9 – comparative information”

### Notes to the Consolidated Financial Statements

(ii) Subsidiaries excluded from the consolidated financial statements: None.

(c) Income taxes

The income tax expenses have been prepared and disclosed in accordance with International Financial Reporting Standards 34, Interim Reporting.

Income tax expenses for the period are best estimated by multiplying pre-tax income for the interim reporting period using the effective annual tax rate as forecasted by the management. This should be recognized fully as tax expense for the current period.

Temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and their respective tax bases shall be measured based on the tax rates that have been enacted or substantively enacted at the time of the asset or liability is recovered or settled, and be recognized directly in equity or other comprehensive income as tax expense.

(d) Employee benefits

The pension cost for an interim period is calculated on a year-to-date basis by using the actuarially determined pension cost rate at the end of the prior fiscal year, adjusted for significant market fluctuations since that time and for significant curtailments, settlements, or other significant one-off events.

**(5) Significant accounting assumptions and judgments, and major sources of estimation uncertainty**

The preparation of the consolidated financial statements in conformity with the Regulations and IFRSs (in accordance with IAS 34 “Interim Financial Reporting” and endorsed by the FSC) requires management to make judgments, estimates and assumptions that affect the application of the accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

The preparation of the consolidated interim financial statements, estimates and underlying assumptions are reviewed on an ongoing basis which are in conformity with the consolidated financial statements for the year ended December 31, 2021. For the related information, please refer to note 5 of the consolidated financial statements for the year ended December 31, 2021.

2) Sensitivity analysis

The Group's exposure to foreign currency risk arises from the translation of the foreign currency exchange gains and losses on cash and cash equivalents, notes and accounts receivable (including related parties), other receivables, accounts payable and other payables (including related parties) that are denominated in foreign currency. A strengthening (weakening) 5% of appreciation (depreciation) of the NTD against the USD, CNY and JPY for the six-month period ended June 30, 2022 and 2021 would have increased (decreased) the net profit after tax by \$3,725 and \$4,592, respectively. The analysis assumes that all other variables remain constant.

3) Foreign exchange gain and loss on monetary items

Since the Group has many kinds of functional currency, the information on foreign exchange gain (loss) on monetary items is disclosed by total amount. For the three-month periods and six-month periods ended June 30, 2022 and 2021, foreign exchange gain (loss), including realized and unrealized portions, amounted to \$2,485 、\$(1,513) 、\$3,230 and \$(2,973), respectively.

SUBSIDIARIES**

**Notes to the Consolidated Financial Statements**

(iv) Interest rate analysis

Please refer to the notes on liquidity risk management and interest rate exposure of the Group's financial assets and liabilities.

The following sensitivity analysis is based on the exposure to the interest rate risk of derivative and three-month non-derivative financial instruments on the reporting date. Regarding assets with variable interest rates, the analysis is based on the assumption that the amount of assets outstanding at the reporting date was outstanding throughout the year. The rate of change is expressed as the interest rate increases or decreases by 1% when reporting to management internally, which also represents the Group management's assessment of the reasonably possible interest rate change.

If the interest rate had increased / decreased by 1%, the Group's net income would have increased / decreased by \$379 and \$337 for the six-month period ended June 30, 2022 and 2021, respectively, with all other variable factors remaining constant. This is mainly due to the Group's borrowing at variable rates and investment in variable-rate bills.

(v) Fair value information

The carrying amount of the financial assets and liabilities is reasonably close to the fair value, disclosure of fair value information is not required.

(q) Management of financial risk

There were no significant changes in the Group's financial risk management and policies as disclosed in Note 6(r) of the consolidated financial statements for the year ended December 31, 2021.

(r) Capital management
